

## Julie Newman Kingery, Ph.D.

### Current Position:

Associate Professor  
Department of Psychology  
Hobart and William Smith Colleges  
Geneva, NY 14456

### Contact Information:

Office: (315) 781-3641  
Email: [kingery@hws.edu](mailto:kingery@hws.edu)  
Fax: (315) 781-3458

---

## I. Occupational and Educational Experience

- |                     |  |
|---------------------|--|
| 07/13 to<br>present | <b>Associate Professor (with tenure), Department of Psychology<br/>Hobart and William Smith Colleges, Geneva, New York</b>   |
| 07/07 to<br>06/13   | <b>Assistant Professor, Department of Psychology<br/>Hobart and William Smith Colleges, Geneva, New York</b>   |
| 07/05 to<br>06/07   | <b>NIH Kirschstein-National Research Service Award (NRSA) Fellowship<br/>The Johns Hopkins University School of Medicine, Baltimore, Maryland</b><br>Served as co-investigator for National Institute of Mental Health (NIMH) funded study (R34) evaluating the effectiveness of school-based anxiety treatment for African American youth in Baltimore City elementary schools  |
| 08/06 to<br>12/06   | <b>Affiliate Faculty Member, Department of Psychology<br/>Loyola College, Baltimore, Maryland</b>  |
| 09/03 to<br>06/05   | <b>Postdoctoral Fellowship<br/>The Johns Hopkins University School of Medicine, Baltimore, Maryland</b><br>Project Coordinator and therapist for NIMH funded multi-site anxiety treatment study; therapist for several other NIMH funded treatment and prevention studies; received extensive training in cognitive-behavioral therapy and the assessment and treatment of internalizing disorders                                     |
| 07/02 to<br>06/03   | <b>Predoctoral Internship<br/>The University of Oklahoma Health Sciences Center, Oklahoma City, Oklahoma</b><br>American Psychological Association (APA) accredited internship program that included both adult and child rotations; training included neuropsychological and developmental assessments, therapy (individual, group, family), school consultation, and specialized training in Parent-Child Interaction Therapy (PCIT) |
| 09/97 to<br>08/03   | <b>Ph.D., University of Maine, Department of Psychology, Orono, Maine<br/>Developmental/Clinical Track, APA-accredited program</b><br>Coursework/related experience in adult/child clinical and developmental psychology<br>Dissertation Title: <i>Exploring Early Adolescents' Adjustment across the Middle School Transition: The Role of Peer Experiences and Social-Cognitive Factors</i>  |
| 09/93 to<br>05/97   | <b>B.A. in Psychology, University of Richmond, Richmond, Virginia</b><br>Magna cum laude with departmental honors, Phi Beta Kappa national honorary<br>Minors in Music and German  |

## II. Professional Licensure

Licensed psychologist in New York from 08/10 to present, license #: 018716-1

Licensed psychologist in Maryland from 02/06 to 2/08, license #: 04218 (license currently inactive)

## III. Grants and Awards

**HWS Katherine Elliott Innovative Teaching Grant** (Summer, 2018; amount: \$4,418.72), for funding to attend the Contemplative Practices in Higher Education workshop at the Omega Institute in Rheinbeck, New York with members of the HWS Faculty Mindfulness Cohort.

**HWS Center for Teaching and Learning Innovative Teaching Grant** (Fall, 2016; amount: \$1,500), for projects designed to creatively transform classroom practice. Met monthly with other grantees to discuss progress and receive feedback. Funds used for training and supplies to implement a mindfulness component into Psy370 (Topics in Developmental Psychology) during the Spring of 2017.

**HWS Provost Office Faculty Research Grant** (2011-2012 academic year; amount: \$1,000), for expenses related to research projects examining friendship among college students and the core elements of treatment programs for anxiety and depression among youth.

**HWS Provost Office Funding for a Research Assistant** (Fall 2010; amount: \$500), for a paid research assistant during the 2010-2011 academic year to assist with research on friendship among college students, and with the preparation of conference presentations and manuscripts for several other projects.

**HWS Civically Engaged Faculty Member Award** (May 2009), for exemplary engaged scholarship, including leadership in advancing students' civic learning, conducting community-based research, fostering reciprocal community partnerships, and building institutional commitments to service-learning and civic engagement.

**HWS Center for Teaching and Learning Innovative Teaching Grant** (January to May, 2009; amount: \$1,500), for projects designed to creatively transform classroom practice. Met monthly with other grantees to discuss progress and receive feedback. Funds used for Child Psychology class trip to Strong National Museum of Play and related supplies.

**HWS Faculty Representative for Technos International Week Trip to Japan** (June, 2008), hosted by Technos College and funded by the Tanaka Ikueki International Trust.

**Co-Investigator for NIMH R34 Grant** (12/01/06-06/30/07), School-Based CBT for Anxious African American Children. Principal Investigator: Golda S. Ginsburg, Ph.D. (full grant from 12/01/06-11/30/09, \$150,000/year).

**Recipient, National Institutes of Health Pediatric Research Loan Repayment Program** (2005-2007, \$11,000/year for 2 years).

## IV. Teaching Experience

|                    |   |
|--------------------|---|
| 2007 to<br>present | <b>Introduction to Psychology (Psy100), Hobart and William Smith Colleges</b><br>Full teaching responsibilities (35-50 students each semester). |
|--------------------|---|

- 2007 to present      **Research in Developmental Psychology (Psy321), Hobart and William Smith Colleges**  
Course includes a seminar and weekly lab component. Lab activities include analyzing previously collected data on children's friendships and completing behavioral observations of children's play at a local preschool (approximately 12-15 students each semester).
- 2007 to present      **Child Psychology (Psy203), Hobart and William Smith Colleges**  
Course includes a class trip to the Strong National Museum of Play, supported by the HWS Psychology Department and a Faculty Teaching Grant from the HWS Center for Teaching and Learning (approximately 30 students each semester).
- 2007 to present      **Topics in Developmental Psychology (Psy370), Hobart and William Smith Colleges**  
This course focuses on developmental psychopathology, a theoretical perspective emphasizing risk factors for psychological disorders, and protective factors that place youth on more adaptive developmental pathways (approximately 15 students each semester).
- 2007 to present      **Adolescent Psychology (Psy205), Hobart and William Smith Colleges**  
Course includes service-learning activities such as assisting with a game night at the local middle school (approximately 30 students each semester).
- Fall '06      **Research Methods in Psychology, Loyola College, Baltimore, Maryland**  
Full teaching responsibilities for this master's level course (30 students).
- Spring '02, Fall '00      **Psychology of Adolescence, University of Maine, Orono, Maine**  
Full teaching responsibilities (30 students in Spring 2002; 50 students in Fall 2000).

## V. Publications

From 1996-2003, name on publications was Julie E. Newman; from 2004 to present, name is listed as Julie Newman Kingery.
