For students with private health insurance, or for those purchasing insurance through Hobart and William Smith Colleges, please check the appropriate box:

I understand that it is our responsibility to check with our private insurance company to make sure that our health insurance will cover any services rendered while our dependent is attending Hobart and William Smith Colleges, as well as any other medical provider that our dependent may be referred to. In addition, I acknowledge that we are ultimately responsible for all payment obligations arising out of your treatment or care of our dependent, and guarantee payment for these services, including deductibles, co-payment, or any other patient responsibility indicated by our insurance carrier while being treated at the Hubbs Health Center.

Our private health insurance will NOT provide coverage for our dependent to have medical treatment while attending Hobart and William Smith Colleges, and we wish to purchase the Student Health Insurance Plan. Students are not automatically enrolled for the student health insurance. Please contact Student Accounts / Business Office at 315-781-3343 to enroll in the insurance plan offered by Hobart and William Smith Colleges.
