## Atmospheric Science minor

**disciplinary, 6 courses**

At least 3 courses must be unique to the minor. All courses for the minor must be completed with a grade of C- or better. Credit/no credit options cannot be used except for GEO 299 (field course: only topic "Severe Storms" accepted). No more than one course from another institution may count for the minor. No more than three 200-level or above courses may be from any one department or program.
