

HOBART AND WILLIAM SMITH COLLEGES

Proposal Authorization Form Addendum for National Institutes of Health Projects

In accordance with the policy of the National Institutes of Health, Hobart and William Smith Colleges are required to “secure and retain” a “written assurance” from each “PI prior to submitting the application” and must “retain a unique signature and date.”

See <http://grants.nih.gov/grants/guide/notice-files/NOT-OD-06-054.html> for details.

Principal Investigator Assurance

Project Title: _____

I hereby certify:

- (1) that the information submitted within the application is true, complete and accurate to the best of my knowledge;
- (2) that any false, fictitious, or fraudulent statements or claims may subject me to criminal, civil, or administrative penalties; and
- (3) that I agree to accept responsibility for the scientific conduct of the project and to provide the required progress reports if a grant is awarded as a result of the application.

Furthermore, I am aware of my responsibilities under the NIH Public Access Policy which requires that any peer-reviewed journal articles, accepted for publication on or after April 7, 2008, reporting research supported in whole or in part by NIH funds, will be electronically submitted to the National Library of Medicine’s PubMed Central archive no later than 12 months after publication
<http://grants.nih.gov/grants/guide/notice-files/NOT-OD-08-033.html>.

PI Name	Signature	Date
PI Name	Signature	Date
PI Name	Signature	Date

The Office of Grants is required to have an original, handwritten signature from each PI prior to submitting applications, post-submission information, progress reports, and post-award prior approval requests to the NIH. Multiple forms may be used.
